

ANG KOK PENG MEMORIAL TEACHER AWARD

Application guidelines

The award is open to Chemistry teachers (Singapore Citizen/Singapore Permanent Resident) currently teaching in schools/Poly/JCs who wish to pursue a MSc degree at the Department of Chemistry, NUS. Up to two awards of S\$10,000 each will be awarded to the selected candidates who have accepted the offer letter and paid the S\$5000 acceptance fee. This award is to offset the programme fee and can be awarded in conjunction with any other award/prize/rebate. Interested candidates may submit application for consideration before 15 June of the academic year.

See graduate programmes offered at NUS and the Department of Chemistry [here](#).

All applications are evaluated in a competitive manner based on the merits of each application. You are required to include the followings along with your application form submission.

- **Justification**
An application should be accompanied by a brief statement of why the applicant should be given an award. This may be a section in the application form. It is in your interest to define this justification concisely (not more than 1 page) and convincingly to demonstrate that you are the best candidate deserving of the award.
- **Relevance**
The significance of the award to your course of study or occupation should also be highlighted. The benefit to your intellectual as well as your professional growth should become apparent and the overall social impact should also be evident.
- **Merit**
Highlight your academic and professional achievements in a manner that makes you the obvious choice for an award.
- **Financial**
If your application requires a budget, provide a detailed breakdown of all expenses as accurately as possible. You should also state what other sources of funds (if applicable) are available to you.

The completed application form should be sent to:

Department of Chemistry
National University of Singapore
3 Science Drive 3
Singapore 117543
(Attention: MSc by Coursework)

Applications for each Academic Year will close on 15 June of the academic year.
